Allowable Subject Matter

1. Claims 1-18 are allowed over prior art.
2. The following is an examiner's statement of reasons for allowance: Although the combined prior art discloses synchronizing OSPF link state databases, and OSPF routers maintaining adjacency relationships by utilizing the "Hello" packets, they fail to teach or suggest re-synchronizing a link state database by establishing a fake adjacency with a neighbor over the interface of a non-stop forwarding router used for the existing adjacency with the neighbor in conjunction with utilizing a unicast "Hello."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
